Section 12 of Bylaw No. 23/2020 – Waste for Non-Designated Properties

1. Every owner of a non-designated property shall have a waste management plan for the property, which shall include:
 - a. An arrangement for waste and recycling storage under the care and control of the owner or occupant of the non-designated property that is accessible for use by the owner or occupant(s);
 - b. Separate waste storage for garbage and recyclable material;
 - c. An arrangement for regular removal, transportation and disposal of waste to appropriate disposal or processing site; and
 - d. Recyclable material shall be transported to and processed at a material recovery facility;
 - e. No burning of waste or recyclable material.

Section 12 of Bylaw No. 23/2020 – Waste for Non-Designated Properties

1. Every owner of a non-designated property shall remove waste from the property in such a manner and with such frequency that the waste storage area meets the following requirements: The waste storage area shall:
 - a. be kept clean;
 - b. be secured against theft or loss;
 - c. be maintained in good condition;
 - d. not create offensive odours;
 - e. kept tidy; and
 - f. not attract insects, rodents, vermin or other disease vectors.
