

About Us

When hauling mass quantities and demolition materials, please contact the Public Works & Planning Department no less than 72-hours prior to arrival, failing to do so may result in the City refusing entry to the landfill.

No person at the landfill shall dispose of:

- . Pesticides and other hazardous wastes, or any material or object treated with any such substance, including the receptacles containing them.
- . Refuse that is the remains or by-products of slaughterhouse operations, or
- . Liquid domestic sewage.

To review the complete **Waste & Recycling Management Bylaw No. 14/2023**, please visit the City of Melville website, at www.melville.ca.
